

## **ESG CALLS ON PAST MEMBERS AND NEW MEMBERS TO PLEASE SIGN UP!!**

The ESG has recently sent out its comprehensive newsletter reporting on the various actions and achievements it has achieved in the last 18 months. The group is appealing to its existing membership not only to renew but to also invite family and friends to enrol as members. Please use the membership form here and send your subscription fee to the address as detailed below.

The ESG continues in its efforts to protect and improve our living environment as well as raising awareness through maintaining strong civic and social links in the community and across the border.

Needless to say the global environment is clearly beyond what little Gibraltar can do but it remains important that we continue to adopt and seek a better quality of environment here also. The obvious health benefits from a cleaner environment also make it a worthy goal for everyone.

The Bay is seeing a level of commercial and industrial activity like never before and development is rampant not just here but throughout the world. It is essential that some constraints are placed upon these to ensure that they do not stifle the very essence and standards of our day to day life.

It is therefore up to each and every one of us to be aware of what our way of life and values are costing and the impact this is having on our planet and indeed the very fabric of what we ultimately value – a healthy and bountiful future for ourselves and our offspring.

Please continue to support the ESG. We need your support and we need funds too to continue our work and to set ourselves workable targets. With your help we can do more and more. Please see bank details below and the full address for the returned membership forms with subscription fee and welcome donations from those who are able.

Finally please support the upcoming “*World Earth Day*” (22<sup>nd</sup> April) which includes “*Exhaust Free Day*”, “*World Environment Day*” (5<sup>th</sup> June) and of course the next “*Clean up the World Day*” (15<sup>th</sup>-17<sup>th</sup> September).

Love your world.
